

MANDATORY PATIENT SCREENING PRIOR TO EACH APPOINTMENT

Before attending the clinic, you are required to “self-assess” using the following questions. Clinic staff will question you regarding your self-assessment results.

- 1. Have you travelled outside of Canada in the past 14 days?**
- 2. Have you tested positive for COVID-19 or had close contact with a confirmed case of COVID-19 without wearing appropriate PPE?**
- 3. If you have children in your home attending school in person, or who are part of a home schooling cohort/bubble, or are in day-care: Have they or any student from their class/cohort/bubble tested positive for COVID-19 in the past 14 days?**
- 4. Do you have any of the following symptoms?**
 - Fever or chills
 - New onset of Cough, or worsening of a chronic cough
 - Shortness of Breath, or difficulty breathing
 - Sore throat, hoarse voice, difficulty swallowing
 - Runny nose, sneezing or nasal congestion (without other known cause)
 - Feeling unwell, unexplained fatigue/malaise, headaches, muscle aches
 - Decrease or loss of sense of taste or smell
 - Diarrhea, Abdominal pain, Nausea, or Vomiting
 - Pink Eye
- 5. If you are 70 years of age or older, are you experiencing any of the following symptoms?**
 - Delirium or unexplained / increased number of falls
 - Acute functional decline, or worsening of chronic conditions

If you have answered “YES” to any of these questions, please call the clinic before your booked appointment so staff can perform further “risk assessment” before you are cleared to proceed with in-person treatment.

Clients must wear a mask when attending clinic for treatments!

(If you don't have a mask with you, one can be purchased inside the clinic for \$3)

Francine Doré - **Clinic Director**
